

STUDENT FAQs for COVID 19

Has AME University canceled the Semester due to the Covid 19 Pandemic?

No. The Administration is committed to completing the Semester without alteration to the current calendar successfully

How Can I continue my program?

The University has approved a new policy, transitioning from in classroom learning to an e-learning platform. (https://edu.google.com/products/classroom/?modal_active=none)

Will June graduation be affected?

Due to the current pandemic that has affected Liberia, the June Commencement ceremony will be postponed to a later date. The students will be informed of the new date, with ample time for preparation.

How can I receive information about the University?

Visit our website www.ame.edu.lr and follow the University Facebook page <https://web.facebook.com/AME-University-360403407696151/> for updated information, and also contact your Department Chairpersons, as well as Instructors.

How do I access the new e-learning platform if I do not have an email address?

Each student must have an AMEU email address to access the e-learning platform. If you do not have an AMEU email address, you should contact the IT department immediately.

How do I receive my assignment from my Instructor/Professor?

There are no in person meetings on the University campus or off campus. Each Instructor will post your assignment via the virtual classroom.

How do I know the schedule of my classes?

Your class day and time remains the same.

If I have a problem assessing the e-learning platform, what should I do?

Please contact IT Department on cfallah@ame.edu.lr or +231776867628

I am a student doing a research course that entails fieldwork, how do I complete the course with my supervisor in the field?

Students are to complete their work remotely if possible. All fieldwork and community service projects, interns on assignment in communities, are put on hold till further notice, in line with the GOL restrictions.

How will we take our final exams?

Final exams will be administered online.

How will final grades be determined?

All academic evaluations will be completed on the e-Learning Platform.

I have a question about a specific course. Who do I contact?

Please contact your Instructor or Department Chair.

Is the library open?

The Library is closed. You may access research material on the e-Learning Platform.

When will face to face classes resume?

As we do not yet know the outcome of this pandemic, we will continue to utilize the Online teaching using the Google Classroom until further notice.
