AJPS EDITORIAL STRUCTURE AND GOVERNANCE

1. Executive Editor — Rev. Dr. Alvin E. Attah

The Executive Editor provides the strategic vision and leadership for the journal and approves all editorial and publishing policies.

2. Managing Editor — Prof. Adeyinka O. Adepoju

The Managing Editor is responsible for the overall quality and integrity of published content, makes final decisions on manuscripts, oversees journal operations, coordinates the editorial team, and ensures adherence to publication schedules.

3. Subject Area-Editors

Dr. Moses Fullah	Social Sciences / Education
Dr. Gerraldine Wilson Wright	Humanities / Education
Dr. Emmanuel Toyin Olufade	Religion / Education
Dr. Grace Femi-Adepoju	Science & Allied Health / Education
Dr. Joseph Lackay	Business & Finance / Education

The Editorial Board comprises subject-area experts who serve as ambassadors for the journal. Their responsibilities include conducting peer reviews, attracting high-quality submissions, managing the review process within their areas of expertise, and providing strategic input on journal development and scope.
